FOR IMMEDIATE RELEASE

**Michael Gagnon Selected as Global Marketing Manager of Vette Corp
Datacom Facilities Division**

Manchester, New Hampshire (USA) June 12, 2008 – Vette Corp (Vette), a leading worldwide provider of thermal management solutions, announces Michael Gagnon as global marketing manager of its datacom facilities division. Mr. Gagnon joins Vette from Wright Line, LLC, a manufacturer of technical office furniture and a leader in the IT equipment rack, data center cooling and power distribution markets. Over the past five years, Mr. Gagnon served as Wright Line's vice president of marketing where he was responsible for global product development and life cycle management.

Prior to his employment with Wright Line, Mr. Gagnon served as director of American Power Conversion's (APC®) Netshelter® Business Unit. In this role he helped elevate APC's IT rack business to become one of the top five leaders in the computer equipment enclosures market. His career experience also includes senior marketing and sales positions with organizations including Aerovox, Fenwal Incorporated and Westinghouse Electric Corporation.

Mr. Gagnon earned a Bachelor of Science in Mechanical Engineering from Worcester Polytechnic Institute and a Masters of Business Administration from Rensselaer Polytechnic Institute.

About Vette Corp

Founded in 2004, Vette Corp is a global thermal management solutions provider specializing in solving thermal challenges for leading OEM's, operators and owners of computer, communications and industrial electronic equipment. Vette maintains a growing IP portfolio, with design and applications engineering in Asia and North America. The company operates high-volume manufacturing facilities in both continents.

Vette Corp's extensive solutions portfolio, design and manufacturing capabilities are complemented by world-class supply chain and customer service to offer clients the lowest cost,

highest quality end-to-end solutions available for today's complex thermal problems. The corporation is privately held and is headquartered in Manchester, New Hampshire, USA. Additional information about Vette Corp can be found at www.vettecorp.com.
