**FOR IMMEDIATE RELEASE**

## **Vette Corp Opens New Office for Datacom Facilities Division**

*MANAGEMENT HOSTS MAYOR NANCY STEVENS AT OPENING EVENT*

**Portsmouth, New Hampshire (USA) July 31, 2008** – Vette Corp (Vette), a leading global provider of thermal management solutions, celebrated the opening of a new office for its Datacom Facilities Division located at 201 Boston Post Road West in Marlborough, Massachusetts, USA. The company hosted City of Marlborough Mayor Nancy Stevens and members of the press for a ribbon cutting ceremony on Wednesday, July 30. Vette Corp executive management on hand to greet the mayor included Neil Ferris, Board of Directors; George Dannecker, President and CEO; Matt Towse, CFO; Shlomo Novotny, CTO; and Joe Capes, Datacom Facilities Division General Manager.

According to Vette’s President and CEO George Dannecker, “We’re delighted by the warm welcome we’ve received in Marlborough and look forward to becoming active members of the local business community. While Vette maintains offices throughout the world, we’re particularly excited about opening a new location in the region’s high-tech corridor along Route 495. It puts us in close proximity to many of our business partners and the Massachusetts high-tech community.”

### **About Vette Corp**

Founded in 2004, Vette Corp is a global thermal management solutions provider specializing in solving thermal challenges for leading OEM’s, operators and owners of computer, communications and industrial electronic equipment. Vette maintains a growing IP portfolio, with design and applications engineering in Asia and North America. The company operates high-volume manufacturing facilities in both continents.

Vette Corp’s extensive solutions portfolio, design and manufacturing capabilities are complemented by world-class supply chain and customer service to offer clients the lowest cost, highest quality end-to-end solutions available for today’s complex thermal problems. The

corporation is privately held and is headquartered in Portsmouth, New Hampshire, USA.
